## Policy Reminder ... Late Pick Up

Camp employees maintain the official clock to determine late charges. The camp site closes at 6:00 pm each day.

Campers will never be left alone, however if a camper is not picked up, and the parent, legal guardian nor emergency contacts can be reached by phone, the Wylie Police Department may be contacted. An additional fee will be assessed for late pick ups and must be paid at pick up. If a camper is picked up late more than four times, they will be dismissed from the program.
